Sharing the Care

Our Gift in Will Charter

1. We will **always respect your privacy** - we recognise and appreciate that your will is completely personal to you.
2. Because we are committed to making a difference, we encourage people to leave something to the Hospice. But we recognise that **it's your decision** and you need to make it **in your own time**.
3. You **can tell us** that you've left a gift if you wish to, but **you don't need to** and we won't keep asking. However, if you choose to let us know you will **help us to plan ahead**.
4. We will give you the **opportunity to be connected** with the work we do – and give you the choice about how we talk to you in the future.
5. At any time in the future, you have the **absolute right to change your mind** about a gift in your Will to Willen Hospice.
6. We will handle whatever gift you leave us **efficiently** so that it has the greatest impact for sharing the care - and **always with care, sensitivity and respect**.
